- Construction Impacts
- Question & Answer Period

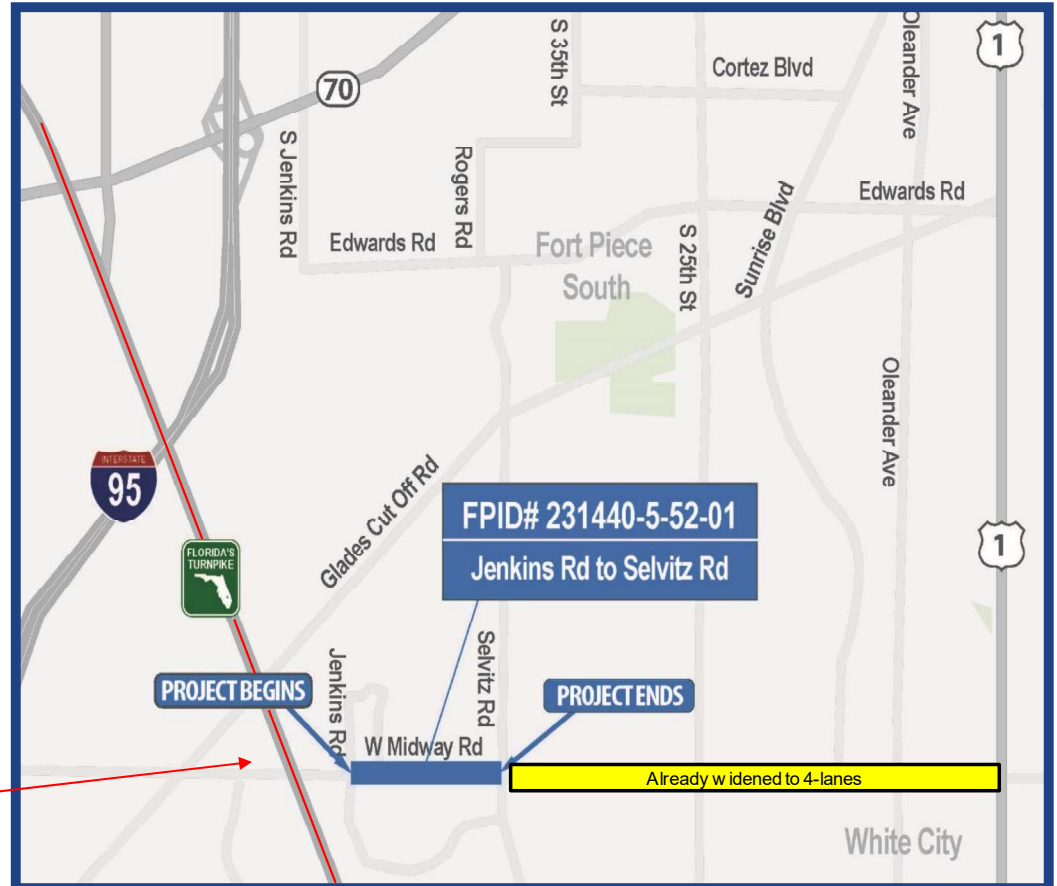

# Project Location

- Project is centrally located within St. Lucie County - east of both I-95 and Florida's Turnpike
- Midway Road is an east-west facility that is approx. 12 miles long
  - Begins at SR 70
  - Ends at Indian River Dr.
- Midway Road is owned and maintained by St. Lucie County

# Location of this Widening Project

- The widening will begin east of Florida's Turnpike and will end at Selvitz Road – approx. 1 mile
  - 4 lanes from Selvitz to US 1
- The project is located in unincorporated St. Lucie County and marks the northern border of the City of Port St. Lucie
- *Separate Turnpike Widening PD&E Study (FM# 423374-1-22-01) that includes Midway Interchange*

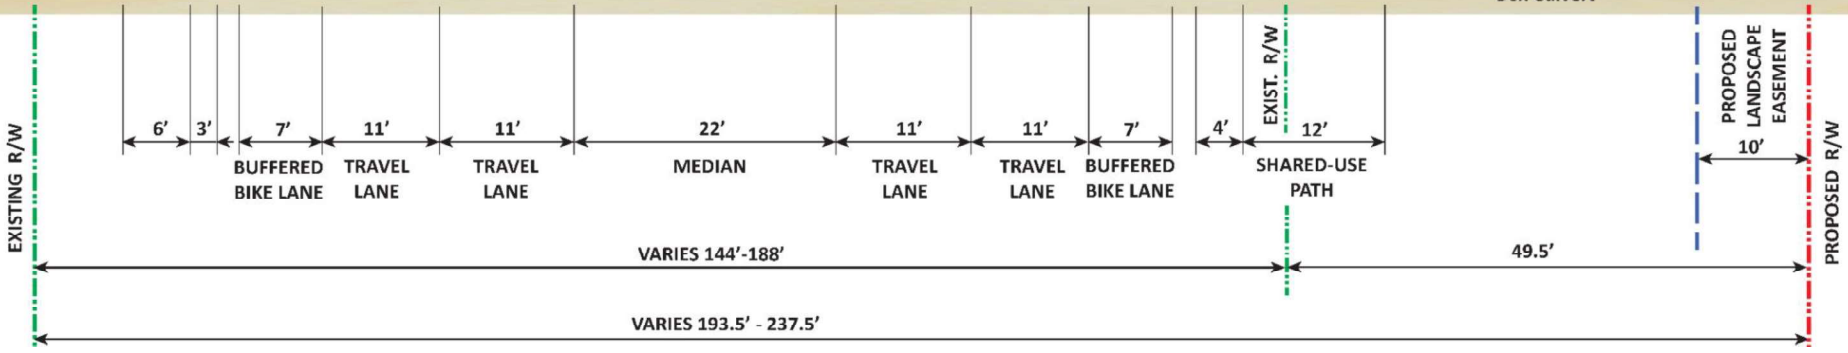

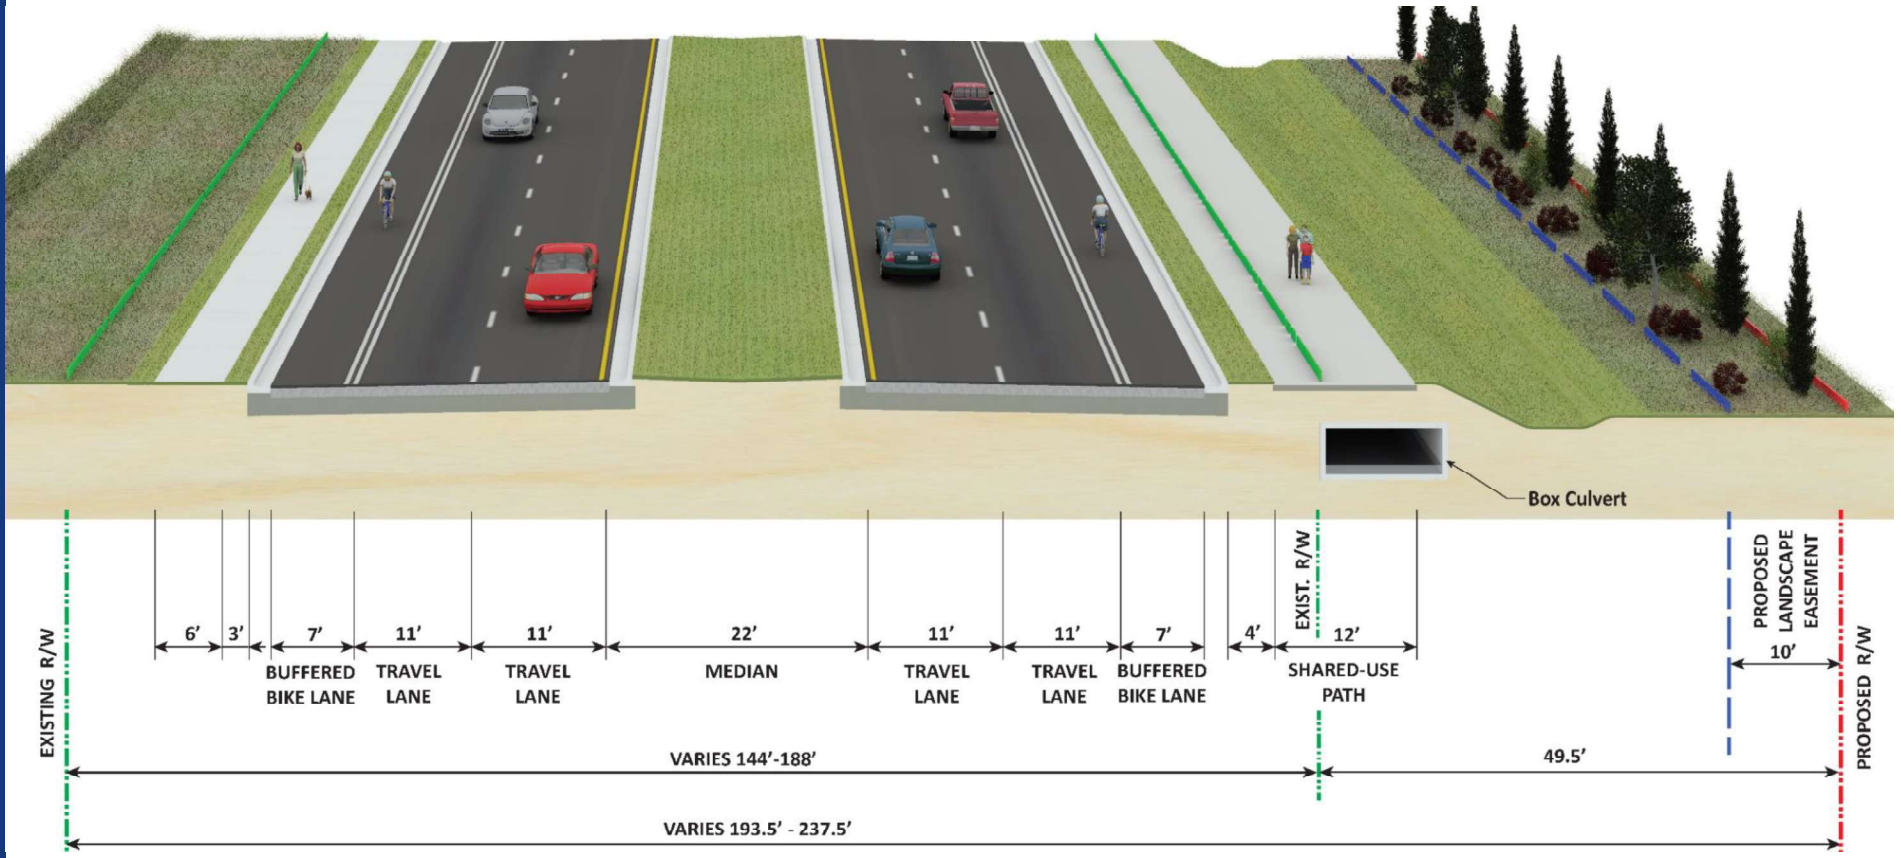

# Four Primary Reasons for this Widening Project

1. Provide additional capacity to meet existing and future traffic demands
2. Improve safety by alleviating congestion, thus reducing traffic delays and crashes
3. Safety and mobility for pedestrians, bicyclists and transit users will be greatly improved with the addition of sidewalks, a multi-use path and bus bays
4. Improve freight mobility and enhance emergency evacuation along the corridor

# Proposed Typical Section (looking east)

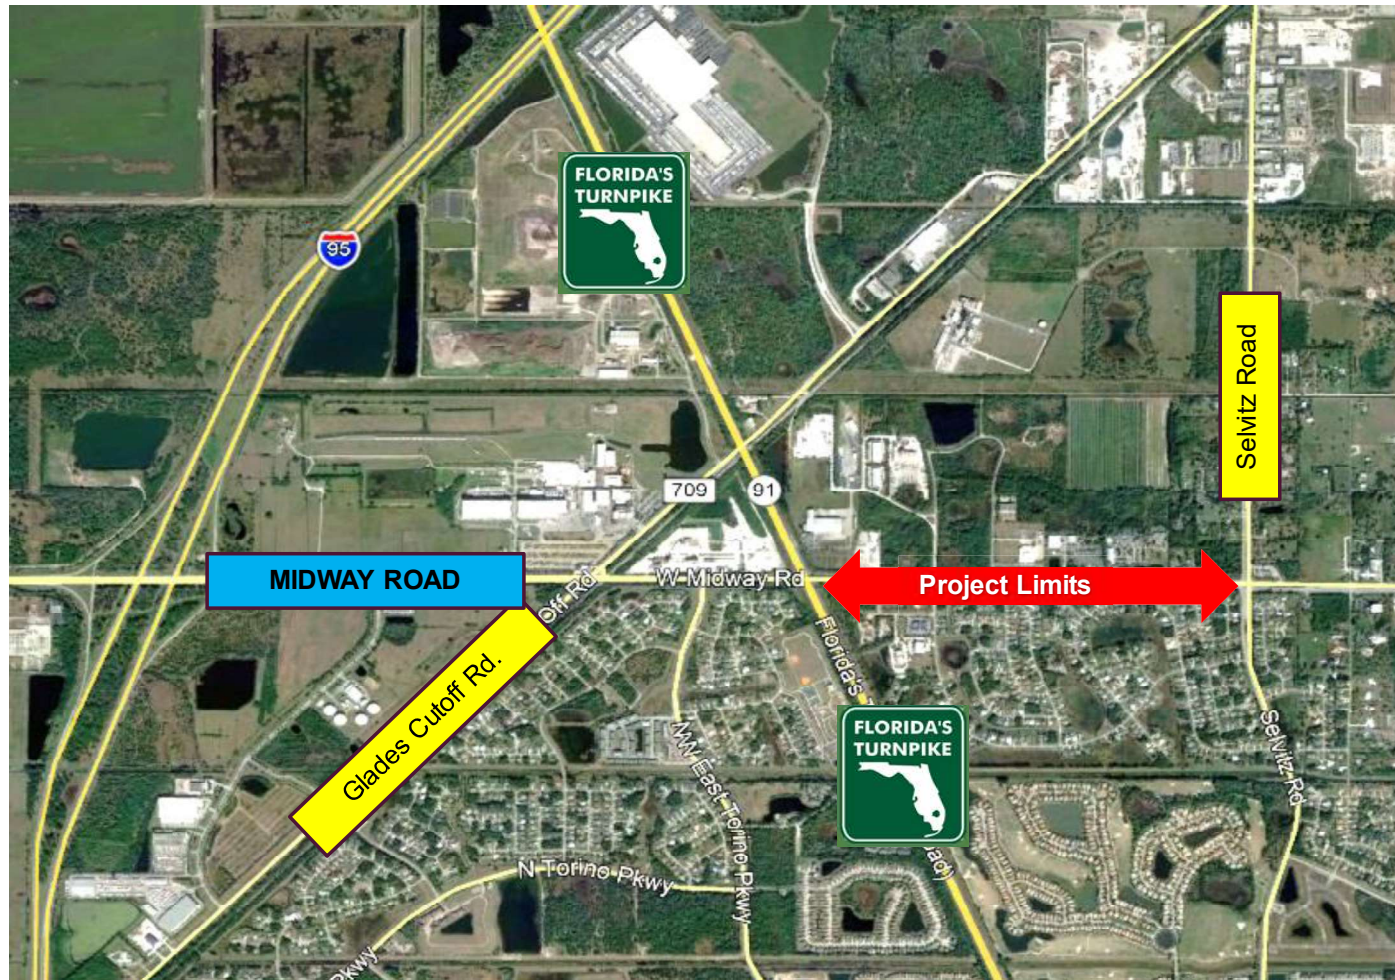

# Picture of Recently Completed Midway Road

*Looking East between Selvitz Road and US 1*

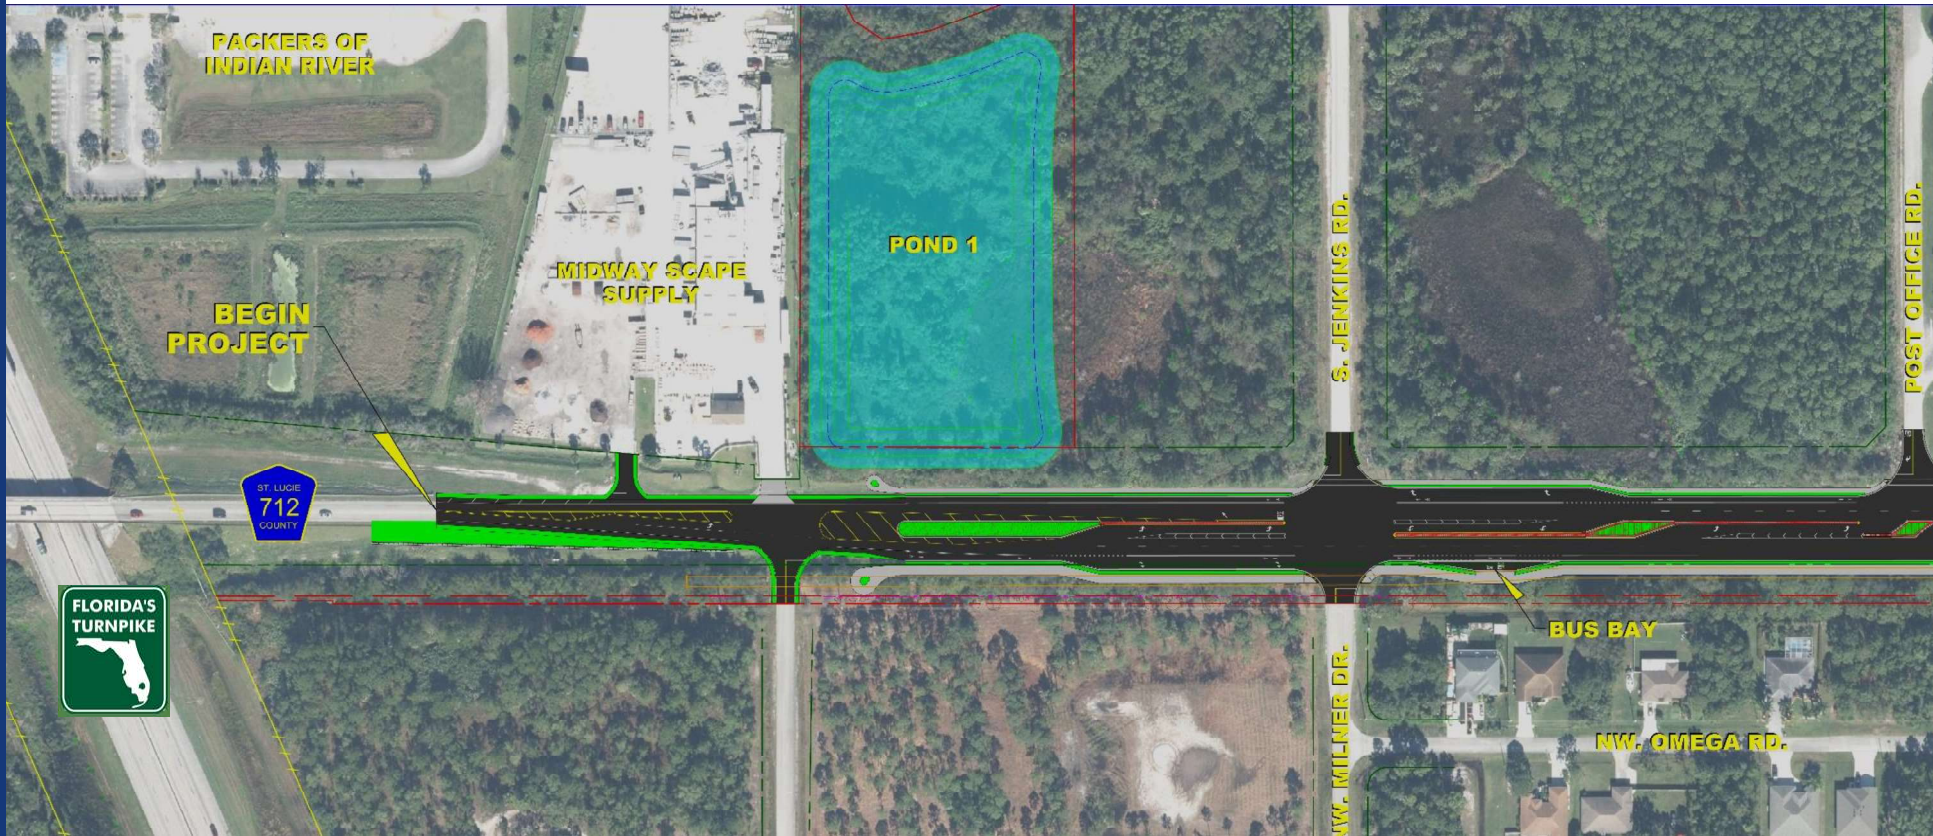

# Project Alignment

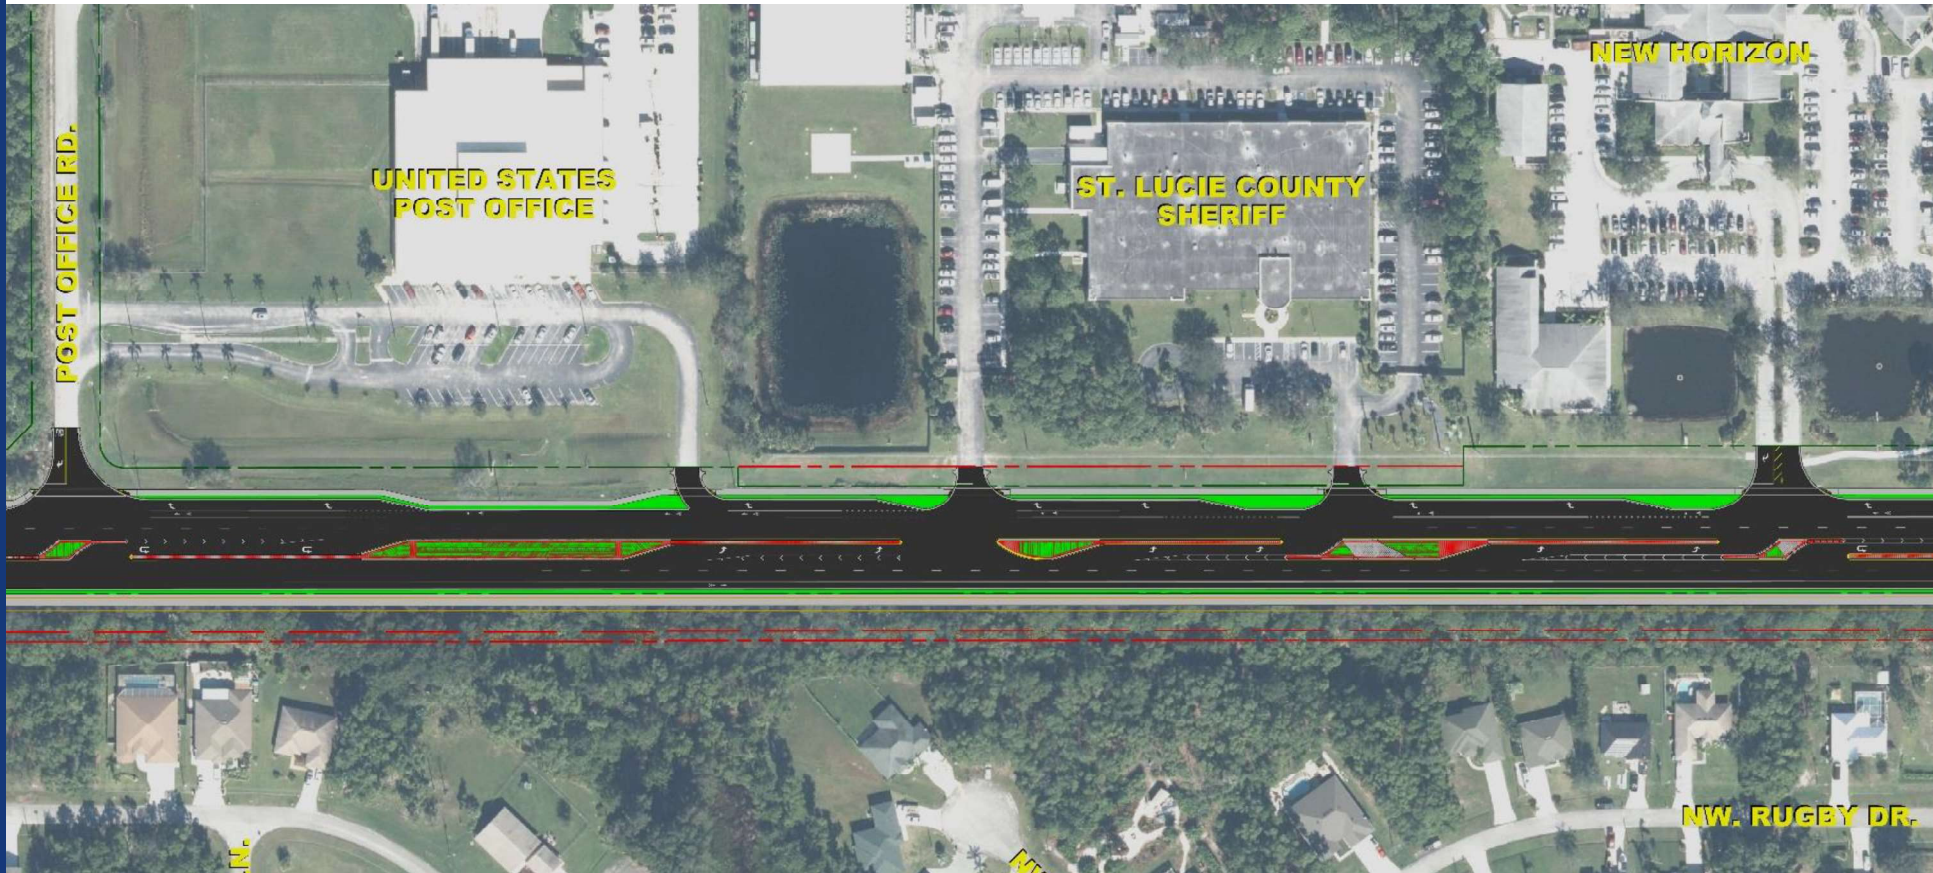

# Project Limits - Corporate Way to Post Office Road

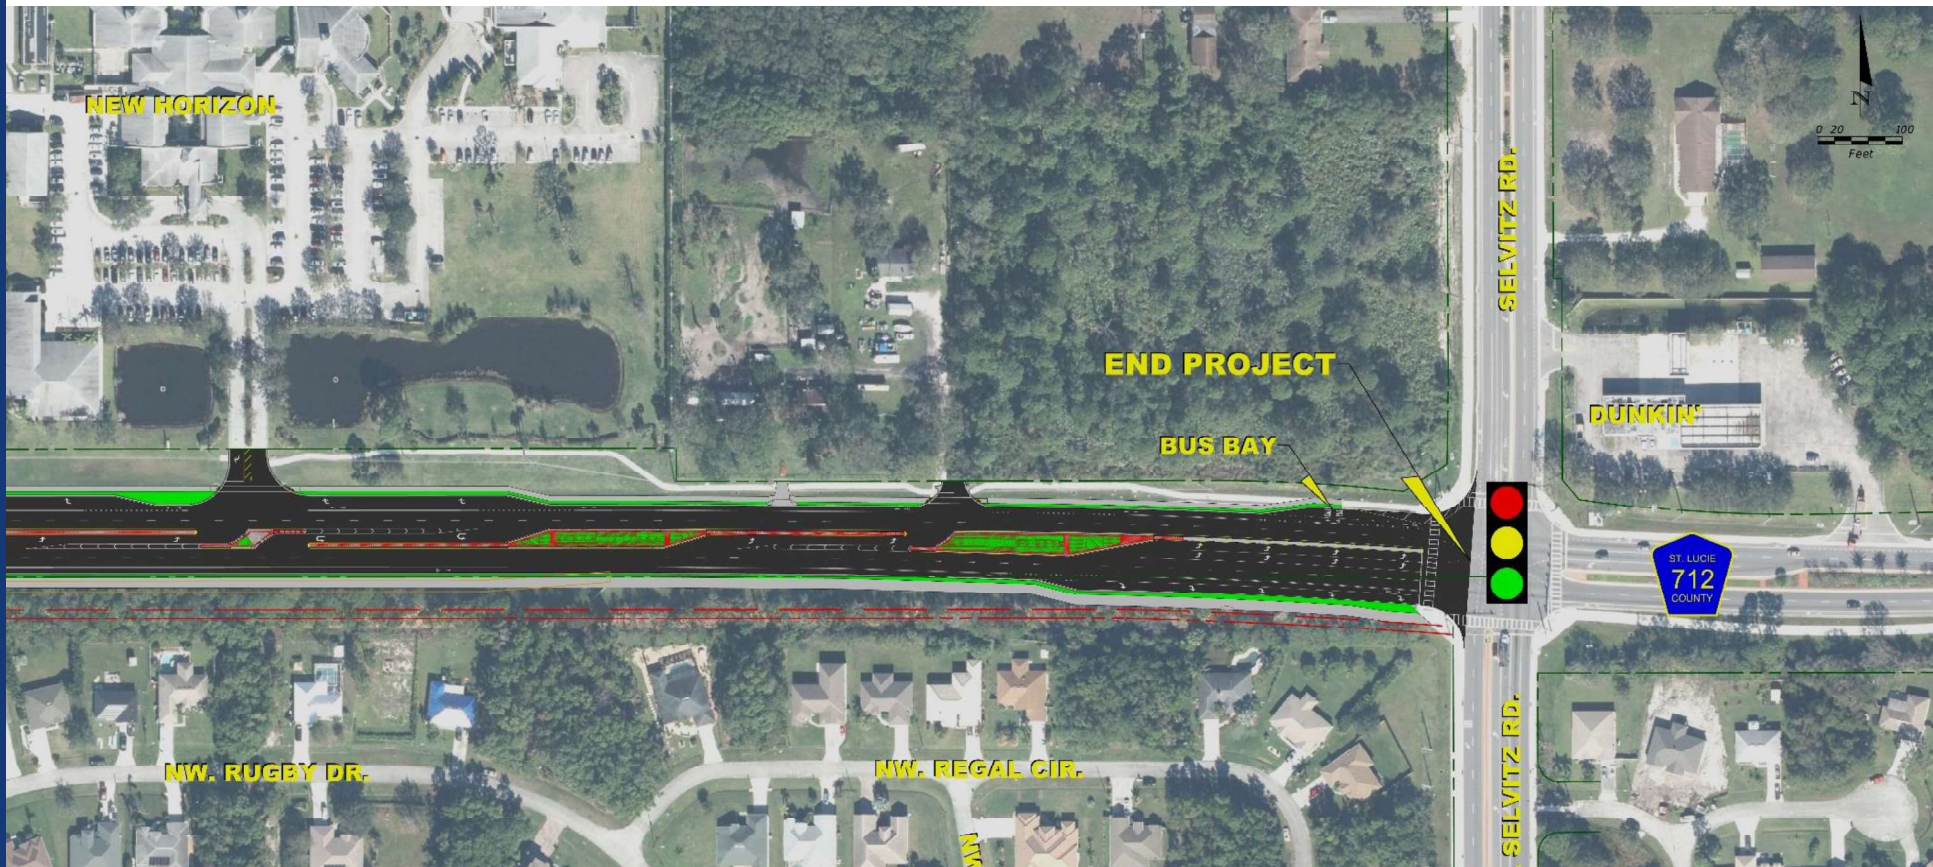

# Project Alignment - Post Office Road to New Horizon

# Project Alignment - New Horizon to Selvitz Road

## Schedule Milestones and Cost

- Design Completion: Late 2021
- Construction Start Date: FY 2026
- Estimated Length of Construction: 24 months
- Estimated Construction Cost: \$20.1 million

## Construction Impacts

- Construction will be completed in phases to minimize interruptions to traffic.
- Construction activities will take place during daytime hours from Monday through Friday.
- One lane in each direction on Midway Road will always remain open, and local access will be maintained
